

Workshops

Goat Care 101: From Bottle to Barn

Learn how to care for goats at every life stage! Topics include nutrition, basic medical care, kidding prep, hoof trimming, and behavior. Great for new owners, 4-H families, or those curious about starting a herd.

Cost: \$45 | Ages 10+ (youth under 16 must attend with an adult)

Soap, Salves & Scents: Farm-Fresh Body Products

Get creative with our hands-on workshop where you'll use goat milk, essential oils, and herbs to craft natural soaps, balms, and body butters. Take home your own creations!

Cost: \$55 | All materials included

Intro to Homesteading: Small Acre, Big Impact

Explore sustainable, small-scale farming practices from composting to rotational grazing. This workshop is ideal for beginners wanting to live more intentionally or launch a hobby farm.

Cost: \$50 | Includes farm tour + printed guide

Kids' Farm Day Workshop

A mini-farm experience for your mini-humans! Children will meet animals, plant a seed to take home, and learn basic animal care through fun, age-appropriate activities.

Cost: \$25 per child | Ages 4–10 | Parents welcome to stay or drop off

Custom Workshops & Private Events

Planning a school field trip, homeschool co-op day, corporate retreat, or group experience? We offer tailored workshops for groups of all kinds—just ask!

 **Email us** at hartlandoakssanctuary@gmail.com to inquire about group bookings.

☀️ **Why Choose a Hartland Oaks Workshop?**

- **Hands-on learning** you can't get in a classroom
- **Expert instruction** from people who live it every day
- **Support a nonprofit** sanctuary while learning real skills
- **Leave with confidence**—and probably goat hair on your shirt
