

Educational Talks

Topics We Cover

Our team can customize talks to fit your audience, but common presentations include:

- **Farm Animal Care & Behavior**
Learn what it takes to care for donkeys, goats, rabbits, chickens, and more.
 - **The Stories Behind the Sanctuary**
Hear real rescue stories and the life-saving work we do every day.
 - **The Importance of Heritage Breeds**
Discover why preserving rare livestock breeds matters—for animals *and* agriculture.
 - **Goat Science: From Rumen to Rambunctious**
Anatomy, diet, and fun facts about everyone's favorite farm comedians.
 - **Kindness & Connection**
For younger groups—gentle lessons on empathy, respect, and compassion for animals.
-

Where We Speak

- On-site at Hartland Oaks (combine with a tour!)
 - At your school, church, or event space
 - Virtual presentations available upon request
-

Presentation Format

- 30 to 60 minutes
 - Can include Q&A and animal meet-and-greet (live or via slideshow)
 - Age-appropriate visuals and materials included
-

Cost

- Suggested donation: **\$50–\$100** (or whatever your group can contribute)
 - All proceeds support animal care and education programs
-
